

REMARKS/ARGUMENTS

Favorable reconsideration and allowance of the present application are respectfully requested in view of the following remarks.

Claims 6, 14 and 17-58 were pending prior to the Decision. Of these, claims 6, 14 and 37 were independent. In the Decision, the Examiner's rejection as to claim 26 is reversed.

In this Amendment, claim 26 is canceled and the features therein are incorporated into independent claim 6. Therefore, amended independent claim 6 and the claims dependent thereon – claims 17-22, 24-39 and 40-44 – are allowable.

Further, independent claims 14 and 37 and the claims dependent thereon – claims 45-58 – are canceled. Therefore, the application as a whole is in condition for allowance.

All objections and rejections raised in the Office Action having been addressed, it is respectfully submitted that the present application is in condition for allowance. Should there be any outstanding matters that need to be resolved, the Examiner is respectfully requested to contact Hyung Sohn (Reg. No. 44,346), to conduct an interview in an effort to expedite prosecution in connection with the present application.

The Commissioner is authorized to charge the undersigned's deposit account #14-1140 in whatever amount is necessary for entry of these papers and the continued pendency of the captioned application.

Respectfully submitted,

NIXON & VANDERHYE P.C.
